Regional Executive Director

DENR-MIMAROPA Region

L&S Building, Roxas Blvd., Metro Manila

Dear Director Ferrer,

A conservation day to you!

The Mindoro Biodiversity Conservation Foundation Inc. is an organization registered to the Securities and Exchange Commission of the Philippines on March 19, 2008. MBCFI is an accredited organization with the Philippine Council for NGO Certification, Department of Environment and Natural Resources in 2021, Department of Science and Technology, Association of Foundations, Provincial Governments of Oriental and Occidental Mindoro, Calapan City, and an acknowledged partner of the Department of Education and the National Council for Indigenous Peoples. We are also one of the six (6) NGOs in the Philippines to become a member of the International Union for Conservation of Nature (IUCN). Our organization continues to promote greater awareness and concern for Mindoro's environment through improved information campaigns, capacity building, empowering communities and enjoining them in the formulation and implementation of responsive policies for effective resource management and conservation.

MBCFI envisions a sustained conservation of Mindoro's natural resources for future generations. The organization's mission is to lead scientific research and catalyze collaborative and participative conservation efforts in key biodiversity areas of Mindoro resulting in empowered Mindoreños through increased awareness and care.
