Greetings!

This is in reference to the updating of **"National Agriculture and Fisheries Modernization and Industrialization Plan (NAFMIP) 2020 - 2030"**, we would like to follow up the submission of your filled NAFMIP templates presented on the series of provincial consultation meetings.

In addition, may we also request to fill up the attached stakeholders worksheet. The objective of this worksheet is to gather inputs on the interventions that will possibly contribute to the attainment of our sector outputs. The deadline of submission is on or before **January 28, 2022, Friday**.

Should you have any concerns or inquiries, please do not hesitate to contact us.

Thank you and keep safe.
