Dear TPAMB Members,

The last year was quite mean to us in the end, due to Typhoon Odette, but it was good in many ways too. God has blessed us richly and is seeing us through our recent trials. We leave 2021 behind and look forward to the miracles in store for all of us. We also look forward to another year of dedication, hard work, and fun with you all!

We wish you and your family the best of 2022!
