Atty. Gandhi G. Flores
Chief - Legal Division
1515 L & S Building, Roxas, Boulevard, Ermita, Manila

Atty. Flores,

This letter is regarding the free patent applications of Patrica Carcelar, Ignacio B. Mampay, Domingo Carcelar and Teodoro De Pablo.

It can be recalled that in 2015, the Department of Environment and Natural Resources (DENR) issued an order banning the titling of alienable and disposable agricultural lands of the public domain. Prior to the issuance of the said order, the above mentioned individuals applied for the issuance of free patent on the lands they respectively claim.

In light of the recent issuance of the DENR order lifting of the above mentioned titling ban in Roxas, Palawan, the undersigned respectfully inquires as to the status of the afore-stated free patent applications.

On October 28, 2021 we were informed via email by Sir Cesar Odi of Patent department that it was already transmitted to legal office of DENR Regional office. We would like to update the status of the aforementioned free patent applications. It has been a year since we hand over the letter and this concern to DENR Palawan, we hand over it in December 2019. We'll be waiting for the positive response.

I write on behalf of the office of Atty, Lara Mae Cacal the counsel of Ms Patricia Carcelar, Mr. Ignacio Mampay, Mr, Domingo Carcelar and Teodorica De Pablo.

Thank you and stay safe!

Respectfully,

Angel Cacal
