UNIVERSITY OF SOUTHERN PHILIPPINES

DATE : DEC 29 2021

Respectfully referring to you the memorandum dated 22 December 2021 of the Director, Foreign Assisted and Special Projects Service on the above-captioned subject.

In connection with this, kindly extend assistance to the University of Southeastern Philippines by answering the Key Informant Interview Form and providing them any materials relative to your efforts/initiatives on managing/handling disasters and risks in your AOR. The information that they will gather from your office will serve as inputs to their DOST-PCAARD's funded study entitled "Resiliency of the AANR Sector in Times of Crises: A Compendium of Regional Case Studies and Best Practices of Consortium Member Initiatives in the Philippines."

Should you have any question or clarification on the matter requested, kindly communicate directly to the Project Leader, Ms. Jennifer E. Hinlo, or to Science Research Analysts Larry G. Samontina at 0917-4344681 or (082) 227-8192 local 250/251. You may also email them at caec_resiliency@usep.edu.ph

SUBJECT : KEY INFORMANT INTERVIEW REQUEST FROM THE
UNIVERSITY OF SOUTHERN PHILIPPINES

This is in reference to the letter request from the University of Southeastern Philippines relative to DOST-PCAARDD's funded project entitled: "Resiliency of the AANR Sector in Times of Crises: A Compendium of Regional Case Studies and Best Practices of Consortium Member Initiatives in the Philippines." They are requesting data relating to disaster initiatives of the agency.

Members of their project team would like to contact your office for the Key Informant Interviews (KIIs) as well as to acquire materials related to disaster initiatives such as list of projects, terminal reports, and documentations among others.

We have attached the letter from the University of Southern Philippines for your reference.

For your kind assistance.

Department of Environment and Natural Resources (DENR)
Visayas Avenue, Diliman, Quezon City, 1100

Sir:

Greetings!

This has reference to DOST-PCAARRD's funded project entitled: "*Resiliency of the AANR Sector in Times of Crises: A Compendium of Regional Case Studies and Best Practices of Consortium Members' Initiatives in the Philippines*", conducted by the University of Southeastern Philippines (USEP). In terms of projects relating to disasters and other perils, the Department of Environment and Natural Resources (DENR) has led several initiatives to counter the risk of pests and diseases and other type disasters— natural, man-made, hybrid disasters and, recently the COVID-19 pandemic.

With this, the project team would like to **request data relating to disaster initiatives** of the agency (i.e., list of projects, terminal reports, documentations and other reference materials). Furthermore, we would also like to **request endorsement to all regional offices** of the DENR, for us to contact them with regard to our Key Informant Interviews (KIIs).

This gathered information will serve as our inputs for our compendium of case studies, and assess their success stories and best practices in addressing major disasters and risks in every region.

For your response, kindly contact our Project Leader, Ms. Jennifer E. Hinlo, or our Science Research Analyst, Mr. Larry Jay G. Samontina, at 09174344681 or (082) 227-8192 local 250/251. You may also email us at caec_resiliency@usep.edu.ph.

Your steadfast support will greatly contribute to the success of this study.

Thank you very much.

Very truly yours,

LOURDES C. GENERALAO
