SUBJECT : USE OF FALLEN TREES IN THE REPAIR OF DAMAGED HOUSES BY TY ODETTE

DATE/TIME : 06 January 2022

Reference: Directive of USEC Ricardo Jalad, NDRRMC Executive Director.

This refers to the use of fallen trees downed by Typhoon Odette. Per above stated reference, regions hardest hit by Typhoon Odette are hereby directed to explore their Shelter Cluster with DENR re use of fallen trees for the repair of houses damaged by typhoon Odette; and deployment of carpentry teams of the AFP and other uniformed personnel.

In this regard, the undersigned is respectfully requesting the RDs of DSWD MIMAROPA and NHA MIMAROPA with DHSUD to convene the above-mentioned Response Cluster member-agencies regarding the subject. As specified in the National Crisis Management Team organization being chaired by DSWD Sec Bautista, the OCD MIMAROPA to perform the support role to the Chair, MIMAROPA Regional Crisis Management Team.

For your information and appropriate action.

MGEN RUBEN L. CARANDANG, PAF (RET)
