Dear all,

Respectfully forwarding the invitation from the Secretariat of the Ramsar Convention on Wetlands:

Webinar

Wetlands and Agriculture: Transformative actions for sustainable agricultural practices and the wise use of wetland

Description:

The Secretariat of the Convention on Wetlands invites you to join a webinar on "Wetlands and Agriculture: Transformative actions for sustainable agricultural practices and the wise use of wetland"

Building on insights from science and experiences of Contracting Parties to the convention, the webinar will promote dialogue for effective actions to transition away from non-sustainable agriculture

During the webinar, participants will:

- Learn about the new resources produced by the Scientific and Technical Review Panel (STRP) of the Convention: [Policy Brief No.6](#) Transforming agriculture to sustain people and we farming practices and pathways to sustainability.
- Get an insight into National Actions responding to anticipated impacts of climate change on wetlands and agriculture presented by several Contracting Parties.
- Engage in a discussion on further actions needed to reverse the trend of wetland loss and degradation while simultaneously providing food security.
