MEMORANDUM

FOR : The Regional Executive Directors
DENR - Regions I to XIII, CAR, CALABARZON, MIMAROPA & NCR

FROM : Supervising Ecosystems Management Specialist
In-Charge, Office of the Director

SUBJECT : **INVITATION TO THE ORIENTATION ON THE DAO 2021-13 OR THE GUIDELINES ON THE DEVELOPMENT AND RECOGNITION OF BIODIVERSITY-FRIENDLY ENTERPRISES (BDFEs) UNDER THE NATIONAL INTEGRATED PROTECTED AREAS SYSTEM (NIPAS) AND OTHER CONSERVATION AREAS, PROVIDING FOR INCENTIVES AND SUPPORTING MECHANISM**

In order to support the management of protected areas under the National Integrated Protected Area System (NIPAS), to maintain essential ecological processes and life-support systems, and to ensure sustainable use of resources found therein, the Biodiversity Management Bureau (BMB) has developed various guidelines on Biodiversity Friendly Enterprises (BDFE) and has been providing technical and financial assistance to some of the People's Organization in protected areas through the Coastal and Marine Ecosystems Management Program (CMEMP).

Starting CY 2023, the Bureau intends to expand the BDFE Program to cover terrestrial protected areas and other conservation areas in consideration of the lessons learned from its implementation in marine PAs. In this regard, it is imperative that orientation and various workshops/learning events with key staff from select protected areas should be undertaken to ensure that they are capacitated and properly-equipped with knowledge and skills before implementing the Program.

In this regard, the Bureau will be organizing an orientation on DAO 2021-13 or the Guidelines on the Development and Recognition of BDFEs to be held online per Cluster with the following details:

Cluster	Regions	Schedule
Cluster 1	CAR, I, II, III, IV-A, NCR	August 3, 2022

Cluster	Regions	Schedule
Cluster 2	IV-B, V, VI, VII, VIII	August 4, 2022
Cluster 3	IX, X, XI, XII, XIII	August 5, 2022

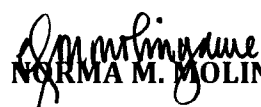

The said learning event aims to orient key staff of Protected Area Management Office (PAMO), regional and field offices of the DENR on the salient features of the DAO 2021-13 or the Guidelines on BDFE Development and Recognition. Specifically, it aims to:

1. Level-off, increase appreciation and understanding on the principles, procedures and processes in developing and recognizing BDFEs;
2. Increase appreciation and understanding on the implementation of BDFE; and
3. Serve as a venue for sharing of experiences and practices relative to BDFE development and recognition.

In view of the above, may we invite representatives from the Regional Planning Management Division, Conservation and Development Division, and the personnel from the field offices and PAMOs. Attached is an advance copy of the draft DENR-SO for your ready reference.

Should you have clarifications, you may contact Ms. Hiyas Crisostomo of the Coastal and Marine Division at 09154921987, Ms. Angeline Villalba of the National Parks Division at 09275532790, and Ms. Joy Alvarez of the Caves, Wetlands and Other Ecosystems Division at 09054878580.

For information and appropriate action.
