***AGIA @ 63: Nagkakaisa Tungo sa Marangal, Makabago at Maunlad na Pilipinas***

With the diverse challenges we face today, the most intense and important is how to shape and rewrite our story as a transformed society, which entails nothing less than unity, commitment, and love for our country. We are technically at the beginning of a new era that is fundamentally changing the way we live, work and connect with one another. We have to grasp fully all these challenges at the speed of change.

This year, the AGIA Annual Convention with the theme: “AGIA @ 63: Nagkakaisa tungo sa Marangal, Makabago at Maunlad na Pilipinas” will emphasize how to rise as one community of public servants amidst these challenges by adopting emerging technological changes and dynamic political landscape towards a progressive Philippines that we all hope for.

This Convention aims to facilitate the exchange of knowledge and insights on the emerging trends and issues, and best practices as we seek to address our shared challenges, risks, and goals. Distinguished speakers were also invited to give an update on laws, rules, and regulations relevant to our day-to-day work as we discharge our duties and responsibilities as public servants.

The technical sessions and discussions with open-forum shall be a venue for the participants to engage, network, and learn from each other.
