

MEMORANDUM

FOR : All Regional Executive Directors

FROM : The Director

SUBJECT : **CONDUCT OF FIELD MONITORING BY LAND MANAGEMENT BUREAU (LMB)**

DATE : 11 JUL 2022

Please be informed that the Land Management Bureau (LMB) will be conducting a field visit to your Offices and select PENROs and CENROs this July and August 2022, for the following purpose:

- 1) To monitor the reported accomplishment as of June 30, 2022 of the Regions on Residential Free Patents (RFPs) and Agricultural Free Patents (AFPs) based on the submitted annual target by the Region;
- 2) To evaluate the strategies and practices adopted at the field offices that helped in accomplishing/or hindered achievements of targets;
- 3) To identify policy gaps for policy recommendation; and
- 4) To recommend solutions and/or actions.

Below are the activities to be monitored by the staff from the Land Management Division (LMD):

- 1) Residential and Agricultural Free Patent Issuance;
- 2) Status of the survey and titling of DND/AFP Real Estate Properties; and
- 3) Inventory of Idle Government Lands suitable for Housing Settlements.

The concerned LMD monitoring officer shall be directly coordinating with the Licenses Patent and Deed Division (LPDD) for further details.

Your usual cooperation and support to this matter is highly appreciated.
