Dear Sir/Madam,

Good Day!

We are inviting you to our Forest Policy E-Talks Webinar on **21 July 2022, 9:00 am to 12 nn** via Zoom. Dr. Margaret Calderon, UP Scientist I and Professor at the Institute of Renewable Natural Resources, CFNR UPLB will present a paper on ***The Price is Not Right: The Case of Almaciga Resin in the Philippines***. The paper aims to ventilate the challenges faced by the almaciga resin industry and how the resin industry can become competitive through appropriate policy interventions and ultimately improve the socio-economic conditions of the almaciga resin tappers. The policy forum is open to participants from government sectors, private sector, policy makers, LGUs, and academic institutions.

**You may register at this link:** <https://bit.ly/FDCeTalks> to join the zoom webinar or you can join through live streaming on our FB Page.

Please take note that registration does not guarantee your slot on the zoom platform as it can only accommodate up to 1000 participants. Interested participants who can no longer enter the zoom platform may opt to participate in the Facebook livestream.

E-certificates will be given to participants who have accomplished the evaluation form. The link will be given/posted at the end of the webinar. Please see attached invitation letter, program and promotional poster.

You may share the link to your colleagues.

Thank you and keep safe.
