*TRAINING CENTER FOR TROPICAL RESOURCES AND ECOSYSTEMS SUSTAINABILITY*

22 July 2022

Dear Regional Executive Directors:

The Training Center for Tropical Resources and Ecosystems Sustainability (TREES) under the College of Forestry and Natural Resources (CFNR), University of the Philippines Los Baños (UPLB), will be hosting the second offering of its Continuing Professional Development (CPD)-accredited webinars with the theme, "*Upscaling Forestry Professionals, Ensuring a Resilient and Sustainable Future.*"

The second topic with the title, "***Born to be Wild: Saving Nature, Saving Wildlife,***" will have **Dr. Arvin C. Diesmos**, Director - Biodiversity Information Management, ASEAN Centre for Biodiversity, as resource person, and **Dr. Rizza F. Salinas**, Veterinarian - Wildlife Resources Division, DENR-Biodiversity Management Bureau, as reactor.

This offering is in collaboration with DENR-MIMAROPA Regional Office and the Society of Filipino Foresters, Inc. (SFFI).

The webinar is slated to be delivered **via Zoom and UPLB TREES FB Live on Wednesday, 27 July 2021, at 9:30-11:30AM.**

With this, we would like to invite DENR's foresters and staff to participate in the upcoming webinar which will not only provide them updates on the status of Philippine forestry and biodiversity, but also enable them to earn CPD credit units for the renewal of their professional license.

We look forward to your participation. Registration details could be found at <https://bit.ly/TREESb2bwild> and in our official social media page, <https://www.facebook.com/uplbtrees>.

Thank you very much for your positive response to our invitation.

Very truly yours,

**DIXON T. GEVAÑA, PhD**  
Director
