Respectfully endorsing is the memorandum of Protected Area Superintendent Orlando R. Ramos dated July 21, 2022 regarding the report on monitoring and maintaining of installed signages and monuments within the Protected Area of Mt. Calavite Wildlife Sanctuary.

Based on the report, the team was successful in relocating, monitoring and maintaining the eighty two (82) installed monuments corresponding to 100% accomplishment. Likewise, the group was also able to account the 206 installed signages in various location within the protected area. It is worth to mention that all the signages are in good condition meaning its appearance as well as the words written in the board/signages are well preserve and readable, respectively.

For your information, evaluation and further action, if any.
