To Whom It May Concern;

Dear Sir/Madam,

I'm Kathleen Martinez, a Filipino citizen and I'm writing to your good office for a request for a sketch plan, survey plan, and copy of a map, if all are available at the property of Brgy. of Tagolango, Municipality of Bataraza, Palawan.

The purpose of my request is to determine the actual boundaries and location of the said property (a beach land).

Enclosed is the filled form with signature and valid ID for your reference.

I look forward to hearing from you soon.

Thank you very much for providing good assistance.
