SUBJECT : **REQUEST FOR THE EXTENSION OF EMBEDDED PERSONEL,**
VANN IAN CADALSO, TO AID IN ADDRESSING ALL CURRENT
ISSUES AND CONCERNS IN CORON, PALAWAN.

A high amount of information regarding various quarry operations in Calamianes Island has been received by the office. In response of the associated increase in workload, may I humbly request for the extension of deployment of Mr. Vann Ian Cadalso here in CENRO Coron

The reports from the investigation of these technical personnel will be indispensable to our future plan of action. The resulting reports will help catalog all ongoing operations and ensure strict and proper management of the country's quarry resources as stated in Chapter VIII of Republic Act No. 7942, otherwise known as the Philippine Mining Act of 1995.

Thank you and hoping for your favorable response.

Respectfully,

For and in the absence of the CENRO
