Dear Department head DENR Palawan.

Attached herewith are copy of our blotter bgr level/statement from witness and pictures

Last 19 of June around the afternoon, during our guests event at our villa, Angelo berratt the arrogant son of Rodney dismeanorly and disgracefully knocked on our gate in loud and disrespectful manner, "kita kahit saan ka pumu ta, namumuro kna," in front of our guests as all witnessed and willing to give statement and ready to be as witnessed in court what that arrogant son of Rodney does to our servants working in your department. They are giving the department a very bad impression as they are known by our most guests working in government. We are in our final drafting our complaint with the lawyers for grave threat and libel against Angelo.

Furthermore attached picture of Rodney taken yesterday during office hours that he is in their house together with bgr captain and the rest of bgr tanod and a pnp battalion, is this an act of disrespect?

We are very ordinary people to be surrounded by all bgr officials even the captain, and a number of police men, I wonder after what his disrespectful son did in the villa and then playing video games.

Picture also showing again another inoperative car of Rodney parking in our developed parking lot for 24/7, since he purchased newly brand new strada, he has no where to dump his old car.

Please this complain is for the record.

I am now coordinating with Mr. Ben Tulfo of Bitag for further actions.

Respectfully

ELBERT REYNOSO
