

5 July 2022

**TO ALL CONCERNED ENTITIES FROM THE COMMERCIAL, INDUSTRIAL,
TRANSPORT, RESIDENTIAL, AND GOVERNMENT SECTORS:**

Subject: **Energy Efficiency Excellence (EEE) Awards 2022**

Greetings from the Energy Family!

The Department of Energy (DOE) recognizes the efforts being made by our stakeholders on ensuring sustainable, sufficient, accessible, and reasonably priced energy. Through the Republic Act No. 11285 or the Energy Efficiency and Conservation (EEC) Act, the DOE has always in the forefront on making energy efficiency and conservation the nation's way of life. The EEC Act likewise provides avenue for the recognition of best practices for EEC and promotion of energy management systems which can be replicated among the commercial, industrial, transport, residential, and government sectors.

The Energy Efficiency Excellence (EEE) Awards is an annual event conducted by the DOE to recognize the outstanding achievements and best practices of the buildings, industries, groups, individuals, and the government sector in implementing EEC in their respective facilities. The EEE Award aims to promote exemplary energy management systems in all buildings including local and government facilities and adopt innovative energy management approaches into policies, guidelines, and initiatives.

In order to participate on this year's EEE Awards, all interestested entities are required to submit an Expression of Interest Form and accomplished the Self-Assessment Tool which can be accessed through <https://bit.ly/EEE-Awards-2022-SAT> not later than **22 July 2022**. The DOE Validation Committee will notify all shortlisted entries via email on **12 August 2022**. Only those who will receive the notification from the DOE will be accepted as finalist for the EEE Awards 2022.

If you are considered as one of the shortlisted entries, the DOE will request for a full paper submission which will be based on the criteria that will be forwarded by the DOE later on. This shall become the basis for the final judging and determination of this year's EEE Awardees. You may refer to the attached documents for more information.

Should you have any questions or clarifications you may e-mail doe.epmpd@gmail.com or call us through telephone number 8479 – 2900 loc. 214 / 275.

We look forward to your participation.

Very truly yours,

PATRICK T. AQUINO, CESO III
Director IV
