The Municipal Election Officer

Commission on Election

Quezon, Palawan

Dear Sir:

After three weeks since the election was made on May 9, 2022, we noticed that that some election related campaign materials are still hanging in some public places all throughout the municipality of Quezon, Palawan.

In this regard, we would like to reiterate the instruction of the Secretary of Interior and Local Government Eduardo Año in his advisory dated May 11, 2022. As emphasized by DILG Secretary Año, "aside from incumbent local officials, all candidates, winners and non-winners alike must take upon themselves to lead in the removal of their campaign materials".

As the lead government agency responsible for the implementation of election laws, we are respectfully appealing to your office to impose upon the candidates who have remaining campaign materials hanging in public places to remove it in the soonest possible time.

We believe that such activity would significantly contribute in maintaining a clean community and environment.

Thank you very much.

Very truly yours,

For the CENRO

ENGR. ROSITA F. CASTULO
