Dear Executive Director Claudio,

I hope this email finds you well.

I am Ronald Gil Joy Bilang, Junior Project Manager from CleanTech Global Renewables Inc. Recently, the Department of Energy awarded us the 1200 MW Bulalacao Bay Offshore Wind Energy Project located in Bulalacao, Oriental Mindoro.

Currently, we are at the predevelopment stage of the project. Part of the study is determining the process of acquiring rights over offshore regions. Relative to this, we would like to respectfully request for a meeting with your office to further discuss the process of acquiring rights over offshore regions on June 20, 2022 at 2:00 PM or at your most convenient time. We are available either for a face-to-face or virtual meeting. I have attached a letter to formalize our request.

Thank you so much and stay safe.

Kind regards,

Ronald Gil Joy Bilang
