MEMORANDUM

FOR : The Regional Executive Director
DENR – MIMAROPA Region
1515 L&S Bldg., Roxas Blvd., Ermita, Manila

FROM : The Director

SUBJECT : **SUBMISSION OF CBFM-CARP CY 2023 PROJECT PROPOSALS
OF DENR MIMAROPA REGION**

DATE : **JUN 14 2022**

This has reference to your Memorandum dated 26 April 2022 submitting the CBFM-CARP Project Proposals for CY 2023.

Per review of the submitted documents, it is noted that the Region has five (5) project proposals for CARP funding, three (3) for Agroforestry Development and two (2) for Financial Subsidy (livelihood/enterprise) project. However, per coordination with the Regional CBFM Coordinator, the Samahan ng mga Mangyang Iraya sa Barangay Baras (SMIBB) has already declined to continue with the proposed project and opt to avail CARP-funded project in CY 2024 instead. Hence, only four (4) projects are being submitted by the Region for CARP funding in CY 2023.

In this regard, please be informed that the result of the initial review and evaluation of the submitted proposals was forwarded to the concerned office (PFMS) and staff (Regional CBFM Coordinator) in your Region through email dated 30 May 2022 which indicate the detailed comments/suggestions of this Office on the said proposals. Please refer to the attached email tracking for reference. Further, a deliberation with FMB and DENR-CARP National Coordinating Office will still be conducted for final review of the said project proposals. The focal person of this Office will coordinate with you regarding the schedule of the deliberation.

FOR INFORMATION AND CONSIDERATION, PLEASE.
