Dear DENR-MIMAROPA Director Claudio,

Thank you again for agreeing to collaborate with us on the webinar, "Born to be Wild." As we are still finalizing our resource person, we are writing to inform you that the new target date is on Wednesday, 27 July 2022.

We thank you for your patience and understanding. We will keep you posted on the progress of our preparations.

Looking forward to a fruitful collaboration with you!

**Sincerely,
UPLB TREES**

Dir. Lormelyn E. Claudio

CESO IV and OIC Regional Executive Director

DENR-MIMAROPA Regional Office

Dear Dir. Claudio,

Warm greetings!

The Training Center for Tropical Resources and Ecosystems Sustainability (TREES) under the College of Forestry and Natural Resources (CFNR) will be hosting the second offering of its Continuing Professional Development (CPD)-accredited webinars with the theme, "*Upscaling Forestry Professionals, Ensuring a Resilient and Sustainable Future.*"

The topic, tentatively titled, "*Born to be Wild: Saving Nature, Saving Wildlife,*" is scheduled for delivery on Wednesday, 22 June 2022. We will have **Dr. Ferdinand B. Recio**, veterinarian and host of the TV show, "Born to be Wild" as a resource person.

With this, we would like to invite your office to be a collaborator for the said webinar. We would also like to invite you to give a 3-minute welcome message for our webinar participants.

This webinar will be in collaboration with other agencies/organizations such as the UP Professional School for Agriculture and the Environment (UP PSAE), and the Society of Filipino Foresters, Inc. (SFFI).

The webinar will be attended virtually by professional Filipino foresters. Those who will register and complete the evaluation will earn 3 CPD credit units.

We sincerely hope that through this webinar, our collaboration will be able to significantly contribute to our collective pursuit of protecting our rich biodiversity amidst the serious local and global challenges.
