Dear Cybersecurity Participant:

As a part of our initiative to extend cybersecurity trainings to Mimaropians, we are sharing
Cybercrime Investigation and Coordinating Center's training on Ethical Hacking. Training is open to government
employees and registration will be open until June 23, 2022.

Ethical Hacking Registration: https://forms.gle/cvqxLk28NFV7Boyw9

Details and schedule of the training will be released to successful registrants by the organizers.
