Good day,

This refers to the development of standard self-compliance monitoring for tenure instruments within forestlands.

In line with this, please be informed that two (2) representatives from FMB will conduct a pilot test of the self-compliance monitoring forms on the existing UAfP holder (Lionheart Farms Philippines Corporation) scheduled on June 29-30, 2022.

You may refer to the attached fax message for additional information. The same was forwarded to your Office on 06 June 2022.

Looking forward for a fruitful collaboration with you.
