Good day!

This is in reference to the Pride Month celebration in June where the LGBTQIA+ (Lesbian, Gay, Transgender, Queer, Intersex, Asexual, and others not mentioned here) community celebrates in many ways across the globe. Too often, they have been left out of the story of the environmental movement. But they have been here all along, uniting struggles for recognition and fundamental rights towards building a more equitable, just and sustainable world.

In celebration and in culmination of the Pride Month 2022 and the Philippine Environment Month 2022 in June, an all-gender Search for stewards of the environment, dubbed as Mx. Tagis Kalikasan 2022 will be conducted.

The Search is open to all women and men employees at the DENR Central Office, Bureaus, and nearby Regional Offices (NCR, Regions 3, 4A and MIMAROPA) regardless of their sexual orientation, gender identity, and gender expression, religion, age, or ability. The Bureaus and aforementioned nearby Regional Offices may enlist a maximum of two entries each.

In relation thereto, all are encouraged to participate in this event, while underscoring the necessity to call for non-discrimination, equal social treatment, and equal rights from personal to professional arena. Attached is the Concept Note and Mechanics about this Search.

For everyone's information.
