Greetings,

I am a researcher from the National University of Singapore. We previously corresponded and you helped to put me in touch with various PAMBs.

I have since presented my research proposal to a number of the PAMBs successfully. However, after presenting and successfully obtaining the PAMB resolution for fieldwork in Mt Guiting Guiting NP, the email address that I'd been using to correspond with the site managers '[mtguitingguiting@gmail.com](mailto:mtguitingguiting@gmail.com)' seems to be no longer active.

Would it be possible to obtain an updated email address for the PAMB?

Many thanks in advance.

Warmest regards,  
Movin N
