SUBJECT : **UPDATING OF NATIONAL GREENING PROGRAM MATRIX**

Dear Sir:

This has reference to the concluded Infrastructure and Resource Management (IRM) Cluster Coordination Meeting that was held last May 27, 2022 wherein one of the topics discussed during the meeting was the updating of National Greening Programs (NGPs) Matrix to resolve issues and concerns relative to the implementation of NGPs in the Ancestral Domains/ Ancestral Lands (ADs/ALs).

However, it was observed that some of the Regional Offices have not complied with the submission despite series of communication made by the Department of Public Works and Highways (DPWH). Thus, please be reminded of your duties and responsibilities as stated under the provision of ***Section 6 of Executive Order No. 70***, to quote "*All departments, bureaus, offices, agencies or instrumentalities of the government, including the GOCCs and SUCs, are hereby directed to render the necessary support to the Task Force. The private sector, non-government organizations and other stakeholders are encouraged to participate in all peace-building programs, plans and activities, in the implementation of the Framework*", unquote.

In view of the above, you are hereby directed to coordinate with your counterpart Regional Office in the National Commission on Indigenous People (NCIP) and submit/update the NGP Matrix through this link: <https://bit.ly/3N2pGIB> ***on or before June 7, 2022.***

For further information or any queries/concerns, kindly coordinate through Engr. Aljon L. Dimalanta at 8304-3395 or Engr. Jeanne Camille T. Hernandez at 8304-3507.

Very truly yours,

HERMOGENES C. ESPERON, JR.
