Good Day Everyone,

This is a friendly reminder on the invitation we sent regarding the orientation meeting and capacity building for the future members of the

BACUIT-EL NIDO BAY WQMA

This will be on June 14-15, 2022 at the Conference Room of the Protected Area Management Office, El Nido, Palawan.

This cannot be done virtually because of the actual field work. The second part of this activity is the visit to the established monitoring stations and areas of the Bacuit-El Nido Bay WQMA.

Please be ready with your outfits and footwear suitable for marine outdoor field work.

For the confirmation of your attendance, kindly access the link or the QR code provided below.
