Good day!

This refers to one of the action items during the 197th National Task Force for the West Philippine Sea (NTF-WPS) last 22 February 2022, which directs the DENR to work with DND, AFP and other relevant agencies to address concerns relative to the land use policy on Pag-asa Island, particularly on whether or not some of its areas/features will be considered either as military reservation area or marine protected area.

May we request your Office to facilitate a meeting on the matter to address the concern of the NTF-WPS.

Kindly acknowledge receipt of this email. Thank you.
