Dear Sir/Madam:

The U.P. National Center for Transportation Studies (UP NCTS) will be conducting the 3rd offering of its webinar series as part of the migration of the center from face-to-face learning to online delivery of training services. The objectives of the webinar are: (a) To define and identify critical transportation infrastructures; (b) To identify the common threats, issues, and challenges during disasters; (c) To share experiences and lessons learned during disasters; (d) To be aware of the government policies, strategies and programs to disasters; and (e) To explore new ways to maintain and expand the transportation infrastructure.

In line with this, we would like to invite you and your personnel to attend our FREE webinar entitled "**Strengthening the Resilience of Critical Transport Infrastructures in the Philippines**", which will be held on **March 14, 2022, 2:00 p.m. – 4:30 p.m (PHT)**.

Attached are the program and rationale of the webinar for your reference.

This webinar is free and open to the public, but online registration is required. The number of slots is five hundred (500) and as such, early registration is suggested.

For those interested, they can register thru this link:

<https://bit.ly/3Ker9Ke>

Should you prefer an alternative viewing platform, the webinar will also be streamed live on UP NCTS Facebook Page at [facebook.com/upncts](https://www.facebook.com/upncts).

For further concerns or queries, please contact us via e-mail at upncts@up.edu.ph or upncts.training2@gmail.com.

Thank you for your attention and we look forward to your favorable response.

Respectfully yours,

Roselle Halabaso / Nery Bravo
