RESEND: Revised Program

=====

Dear Sir/Madam,

Greetings!

The U.P. National Center for Transportation Studies (UP NCTS), in cooperation with the Women in Transportation Leadership knowledge network (WiTL), Transportation Science Society of the Philippines (TSSP), Transportation Science Society of Malaysia (TSSM), and Universiti Teknologi MARA (UiTM) will conduct the GTALK Forum which will be an online international forum on Gender and Transport Research in Asia and the Pacific. The objective of the webinar forum are: (1) to increase the profile and global presence of women leaders in transport; (2) to strengthen women's voice to be able to advocate their distinct transportation needs; (3) to acknowledge and celebrate female leadership; and (4) to employ research to gather evidence base to better address the gendered dimension of transport planning and design, strategically supporting the United Nations' Sustainable Development Goal (SDG) 11 (make cities inclusive and safe, resilient and sustainable) and SDG5, empower women and girls.

In line with this, we would like to invite DPWH personnel to attend our **FREE** webinar entitled "**Gender and Transport Assemblage of Learning and Knowledge (GTALK)**", which will be held on March 17, 2022, 2:15 PM - 4:00 PM (PHT).
