Dear Sir,

Greetings!

This is to formally request from your good office a designated dumpsite and at least once or twice a week collection of garbage here in our Barangay, Barangay Magara, Roxas, Palawan. Among the 31 Barangays, we are one of those with largest population comprising almost 8% of the total municipal population.

I came up with this request because I definitely believe that this indeed big Barangay has been regularly generating a serious bulk of garbage and I am afraid where those garbages specially non-bio have been thrown off ever since.

I am really hoping that your good office will take consideration for this request and our Barangay will definitely appreciate should this request be approved as early Christmas gift.

Should you aim to contact me for whatever clarification, please do not hesitate to phone me or through whatever means of communication. Undersigned is my direct mobile number for your reference.

I indeed look forward to hearing from you soon.

Al Saporna
