Good day!

As part of the Department's ongoing efforts to institutionalize Alternative Dispute Resolution, the ADR Committee, which is in charge of overall ADR implementation, will train additional field personnel to ensure that third-party neutrals providing ADR services in the Department have the necessary knowledge and skills in resolving disputes.

The course will include 40 hours of basic ADR training and 40 hours of practical internship training, which will include actual handling of DENR ADR cases. In this respect, please submit one nominee from each of the following offices for the forthcoming ADR training on or before **March 30, 2022**.

The Memorandum and Personal Information Sheet are attached for your convenience.

Thank you, and have a wonderful day!
