Regional Director
DENR MIMAROPA

Dear Manager Claudio,

Warm Greetings!

The Duterte Administration has institutionalized a program, thru EO 137, in order to accelerate and harmonize aid and humanitarian assistance by the National Government Agencies to the most affected and vulnerable sectors and communities, enhance agency coordination and collaboration in the distribution of programs and assistance and establish a unified beneficiary database using digital platforms and technologies for a faster and more reliable delivery of social protection programs and services of the Government.

More so, the Duterte Administration, in the fulfillment of its promises to bring **Change** and **Continuity** of its programs, kept its commitment to ensure and provide and effective, integrated and fiscally responsible aid and humanitarian support to the people in time of emergencies such as the COVID -19 pandemic, current economic crisis and disasters as a critical component of recovery and rebuilding efforts.

The convergence of the government agencies, as a continuing response to directive of **President Rodrigo Roa Duterte**, aims to implement the **Integrated Sustainable Assistance Recovery and Advancement (ISARA)** Program in the last stretch of his administration. This convergence is intended to inform the public about the government's program, policies, accomplishments and most importantly **the implementation of the continuing projects and programs of the Administration**.

Relative to this, we would like to request your agency to participate in the convergence event and invite your regional office for a Coordination Meeting on **March 22, 2022, 1:00 PM at Rice Land Inn, San Vicente, Calapan City, Oriental Mindoro**.

For your confirmation, kindly contact the Secretariat Ms. Rej Decalit 09175870277 and Ms. Mitch Tabuno, 09263979571.

Thank you and looking forward on your participation and support.

Very truly yours,

USEC. JOSEPH B. ENCABO
