MEMORANDUM

FOR : The Regional Executive Director
DENR, MIMAROPA Region

THRU : The Assistant Regional Director
for Technical Services

ATTENTION : The Chief, Conservation Development Division

FROM : The OIC, Provincial Environment and Natural
Resources Officer

SUBJECT : REPORT OF BIODIVERSITY MONITORING SYSTEM
(BMS) FOR THE FIRST SEMESTER OF CY 2022 OF
MARINDUQUE WILDLIFE SANCTUARY (MWS).

Date : March 11, 2022

Forwarded is the Memorandum Report dated March 07, 2021 relative to the First Biodiversity Monitoring System (BMS) conducted on February 17-18, 2022 in which activities are: Focus Group Discussion (FGD), Photo-documentation, field diary and transect walk within the 2-kilometer~~y~~ transect line in Marinduque Wildlife Sanctuary (MWS) together with pertinent enclosures.

Based on the report, it was confirmed that BMS is an effective participatory monitoring and management strategy to obtain the support and cooperation from the stakeholders particularly the academe, local governments, community monitoring group, members of farmers association, and tenured migrants in the protection and conservation of biodiversity within the protected area.

Likewise, it was presented to 1st Protected Area Management Board Meeting for their comment and recommendations.

For information and record.
