Re: Mandatory Tree and/or Mangrove Planting

Dear Ma'am Claudio,

Good day!

We are writing in reference to Philippine Port Authority's (PPA) Administrative Order No. 14-2020 (as attached) Re: Mandatory Tree and/or Mangrove Planting, a requirement in compliance to our Accreditation Certificate / Permit To Operate as a Shipping Agent at the Port of Puerto Princesa.

As mentioned on it's Section 3.0 > 3.2, "the applicant/grantee shall coordinate with the local concerned office or unit of the Department of Environment and Natural Resources (DENR) for the type of seedlings to be planted and the location to where it should be planted", afterwhich once completed, a certificate of completion must be secured.

Also mentioned in Section 3.0 > 3.3, "all applicants/grantee are required to plant trees/mangroves of at least 1,000 seedlings".

In this regard, we are requesting for your assistance as we comply to this requirement. Kindly advise the procedures and/or necessary requirements that we need to provide/accomplish as we move along.

Thank you very much.
