Dear **Director Matta**:

Pursuant to Regional Development Council (RDC) Res. No. 2019-068-798, the **Technical Working Group on Water Resource Management (TWG-WRM)** was created to generate water-related information and to identify issues, concerns, and opportunities related to water resource development and management in the region.

Relative thereto, we are respectfully inviting you or your representative to a meeting of the TWG-WRM which shall be conducted on **March 30, 2022, at 1:00 PM** via Zoom. The agenda include the presentation of 2021 Annual MIMAROPA La Niña Action Plan Report per RDC Resolution No. 2021-074-979 (*Annex A*), as well as the presentation of the consolidated 2022 inputs on MIMAROPA Integrated Water Resources Management (IWRM) which was adopted as framework of TWG-WRM per RDC Resolution No. 2021-077-1023 (*Annex B*).

Please confirm your attendance by accomplishing the form through the following link, forms.gle/gaAJ8YGdkH6iZNXR6 on or before **March 28, 2022**. Attached is the program of activities, and Zoom link of the said meeting for your reference.

We are looking forward to your usual cooperation.

Thank you.

Very truly yours,

LORMELYN E. CLAUDIO, CESO IV
