28 February 2022

Mr. ROBERTO PAREDES
Roxas, Palawan

Sir,

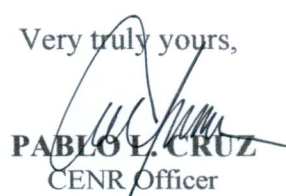

Greetings!

The order resolving the case involving lot 907 of PLS 232 in Bgy. 3, Roxas, Palawan aims at coming up with a subdivision survey based on actual occupation by claimants qualified to acquire public land through lease and or sales provisions of the Public Land Act as amended. Of the survey returns you have submitted and your request for substitution of surveyor from GE Liao to GE Felizarta, only the latter may now be considered. This is owing to the fact that the survey plan does not represent the recent condition of the land down to specific individual claims.

Wherefore, enclosed is the order granting your request for substitution along the returns hereby returned for compliance at least of the portion you possess, if not including those of the others.

Please be guided.

Very truly yours,

PABLO L. CRUZ
