Dear Sir/Madame,

May I ask if the Memorandum (for the PENR Officer's action) mentioned below is a strictly internal and confidential document that it cannot be shared with non-DENR personnel.

We would appreciate if it can be shared with us for the sake of transparency and good governance, which is one of the pillars of this present government.

Thank you and best regards.

 Dear Sir/Madame,

I checked the documents that I received today and recognize that one plan is not requested and appears to have been reproduced by mistake. The requested information is the plan F-V-9-I-1379-D (survey for Jacova Vda. De Lastimosa), but there is document F-9-I-1379-D (missing the -V-).

My representative was sent just to receive the documents so there was no way that he could properly check if the documents are what were requested.

At any rate, the other two survey plan are what i needed.

Thank you.
