## MEMORANDUM

FOR : **LORMELYN E. CLAUDIO**  
Regional Executive Director

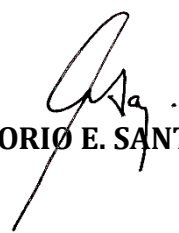

FROM : **GREGORIO E. SANTOS, JR.**

SUBJECT : **REFERENCES ON URBAN GREENING AND POLLUTANT  
ABSORBENT PLANT SPECIES**

Date : March 1, 2022

In response to your request for a list of plants with ability to absorb air pollutants, we are providing you the herein attached ERDB publications, "Pollutant-Absorbent Plant Species" and "Research Compendium for Damaged Urban Areas" that you can use as references for your project implementation. Should you need further technical assistance we are more than willing to provide.

For your information and reference, please.

  
**GREGORIO E. SANTOS, JR.**
