**Dear Director Claudio:**

The PRA is mandated to regulate all reclamation projects and also a partner of the Department of Environment and Natural Resources (DENR) in ensuring environmental compliance of reclamation projects, reclamation components and all developments on reclaimed lands.

In this regard, PRA is drafting a policy entitled “Guidelines for Environmental Monitoring by PRA of Approved Reclamation Projects, Reclamation Components of Infrastructure Projects, and Infrastructure Development (Horizontal and Vertical) on PRA-Approved Reclaimed Lands.”

May we respectfully invite a representative/s from your Office to the virtual stakeholders’ consultation of our proposed policy to be conducted on 24 March 2022 (Thursday), 9:00 AM – 12 noon. We are also proposing a wrap-up meeting with you to discuss comments that we gather from the consultation, tentatively scheduled on 29 March 2022 (Tuesday), 9:00 AM – 11:00 AM, subject to your confirmation. The consultation is an important part of the regulatory development and review process to solicit comments from stakeholders to further improve the proposed policy.

We appreciate receiving the names and e-mail addresses of the attendees on or before 11 March 2022 (Friday) so we can send the link before the scheduled consultation. Kindly forward these details to Mr. Adrian P. De Jesus of the Environmental Management Department at 0905-246-5110 or [envimd@pea.gov.ph](mailto:envimd@pea.gov.ph).

Thank you and we look forward to your support and prompt reply.

Very truly yours,

  
**ATTY. JANILO E. RUBIATO**  
General Manager and CEO
