Sir,

Greetings!

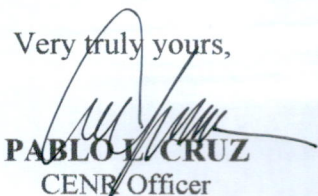

Regarding your request for certified status of the land found about 2 $\frac{3}{4}$  hectare part of Lot 1199 of Cad. 862-D at Sitio Cagtara in Bgy. Malcampo, Roxas, Palawan please be informed that while it is within the agricultural (alienable/disposable) lands, it was upon site inspection found covered by species of mangrove.

Be apprised further that Proclamation 2152 of 29 December 1981 has declared the entire Province of Palawan as Mangrove Swamp Forest Reserves to the effect that where mangrove species are found thriving, any conversion thereof to other uses is prohibited.

Wherefore, we cannot help but deny granting your request.

Please be guided.

Very truly yours,

  
**PABLO CRUZ**
