Hi, good evening po. I just wanted to report an incident in Banton, Romblon wherein they condemned killing monkeys just because they're outnumbering the people who lives there and nakakaperwisyo daw po sa hanapbuhay ng mga taga doon. For every kill is equivalent to 100 pesos. Di ba bawal po yun? Hope you can resolve this or find any means na hindi kailangang may mamatay na hayop. Maraming salamat po. God bless.
