Please be informed that based on the verification from our Records and Knowledge Management Division (copy of their Office Memorandum dated November 8, 2021, hereto attached), we cannot confirm the existence of the folder/s if there are containing records of the subject lots, and the same is not included in the records taken from the files of DENR-Records Management Division which the LMB acted for CY 2014-2018.

Further, we have referred your email to the DENR-MIMAROPA, it appearing that the matter treated therein pertains to the jurisdiction of that Office. Hence, it is suggested that you verify the status of the subject lot directly at the Provincial Environment and Natural Resources Office (PENRO) in Romblon, so that you can be properly appraised of the status thereof.

We hope that we have been of assistance to you.

Very truly yours,
