SUBJECT: Request for Data of the Women and Men (WAM) in MIMAROPA

Dear Director Ferrer:

Republic Act (RA) No. 10625 states that the Philippine Statistics Authority (PSA) shall collaborate with departments of the national government and their subsidiaries in the collection, compilation, maintenance and publication of statistical information, including special statistical data derived from the activities of those departments, corporations and their subsidiaries.

One of the publications being compiled and consolidated by PSA is the Statistical Handbook on Women and Men (WAM) in MIMAROPA. Gender statistics are indispensable in planning, decision-making and monitoring of Gender and Development (GAD) programs and projects at the subnational level.

The Statistical Handbook on WAM in MIMAROPA which is being released annually presents the latest available gender statistics through tables and charts with short explanatory texts and brief analyses highlighting important features of the data. This year, PSA aims to release the fifth version of the aforementioned publication.

In this regard, may we respectfully request sex-disaggregated data from 2019 to 2021. Attached is the worksheet of the needed data for your reference (Attachment A). In addition, may we also request for the metadata of the requested indicators (Attachment B).

For any clarification, you may contact us at (043) 286-7491; Smart: 09292362711; or email to psamimaropa@yahoo.com, cc: statisticsr4b@yahoo.com. We would appreciate if you could send us the accomplished worksheet on or before 25 March 2022.

Thank you very much for your support in this undertaking.

Truly yours,

LEM R. RIOFLORIDO
Regional Director
