SUBJECT : 2022 MIDYEAR NATIONAL CONVENTION WITH A THEME
"SECURITY IN TIMES OF UNCERTAINTY" OF THE
PHILLIPINE SOCIETY OF SANITARY ENGINEERS, INC. (PSSE)

This pertains to the invitation of the Philippine Society of Sanitary Engineers, Inc. (PSSE), inviting the DENR to participate in the 2022 Midyear National Convention with the theme "Security in Times of Uncertainty" on June 22-24, 2022 via Zoom.

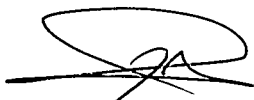

The PSSE is an accredited Continuing Professional Development (CPD) Provider by the CPD Council for Sanitary Engineers issued by the Professional Regulation Commission (PRC). The three-day online convention will focus on engineers as game-changers in the field of sanitation and environmental sustainability. It will be attended not only by Sanitary Engineer practitioners but also suppliers/manufacturers of equipment, and technology providers in environmental and sanitary engineering to keep them abreast with the latest technologies and practices.

Interested sanitary engineers from the central office and those officials with SG 24 and up from regions and bureaus shall submit their duly accomplished Endorsement Form signed by their respective supervisor to the Training and Development Division, HRDS **not later than May 15, 2022** for the preparation of necessary Special Order. **Qualified employees with SG 23 and below from the regions and bureaus** shall submit their Endorsement Form to their respective HR Unit/Section for the preparation of Regional/Bureau Special Order.

The learning investment fee for this event is one thousand and two hundred pesos (Php 1,200.00) per participant, subject to the availability of funds and the usual accounting and auditing rules and regulations.

For inquiries regarding the program, you may directly contact the PSSE at Telephone no. 7909-1012 or email address psse.psense@gmail.com.

For your information and appropriate action.

**Subject: Request for Authority to Attend
2022 MIDYEAR NATIONAL CONVENTION
Virtual Convention**

Dear Honorable Secretary Sampulna:

May we request that you authorize your Sanitary Engineering staff to attend the 2022 Midyear National Convention on **June 22, 23 and 24, 2022** via Zoom Webinar Application with the theme "**Security in Times of Uncertainty**". The theme focuses on sanitary engineers as game changers in the field of sanitation and environmental sustainability. This convention will be attended not only by practicing Sanitary Engineers but also, suppliers/manufacturers of equipment, technology providers in environmental and sanitary engineering as well as students from all over the country.

With the passage of the Continuing Professional Development (CPD) law effective 21 July 2016, there is a need for Sanitary Engineers, just like any other professionals whose practice is regulated by the Professional Regulation Commission (PRC), to obtain the necessary CPD units required in renewing their license with PRC in order for them to continue practicing their profession.

As an accredited CPD provider by the PRC, the PSSE's conventions are designed not only to provide its members an avenue to earn the required CPD units but to keep them abreast as well with the latest available technologies and practices.

We look forward to seeing more of your Sanitary Engineering staff in our conventions, trainings and seminars as we remain your partners in updating their knowledge and skills.

Very truly yours,
