Good day!

This pertains to our email last April 25, 2022 regarding the request of the East Asian-Australasian Flyway Partnership (EAAFP) Seabird Working Group, c/o Mr. Simba Chan, for seabird colony data. We have requested the recipients to submit the accomplished forms to BMB through this email on or before May 15, 2022. May request for updates regarding this matter?

The data gathered will be collated on a seabird colony registry that will be published on a website that the EAAFP is developing. Your valuable inputs will be of great help.

Once you have accomplished the forms, kindly email them to wrd@bmb.gov.ph.

Should you have any questions or concerns, please do not hesitate to contact us.

Thank you.
