Sir/Madam,

Good day!

This refers to the implementation of National Government Collections and Disbursement System (NGCDS), a new BTr system to account national collections and disbursements, wherein a National Collecting Officer (NCO) Code is required to be indicated on the OnColl Deposit Slip by NCOs/Local Treasurers (LTs) when making deposit of national collections to the account of the Bureau of the Treasury with any Authorized Government Depository Banks (AGDBs).

Relative to this, please submit the names of your agency's NCOs for the enrollment of their respective NCO Codes through the link provided below:

We appreciate receiving the needed information on or before 23 May 2022.

For any questions, please contact us at Telephone Nos. 8527-30-82 or 0956-492-0023.

Looking forward to better and innovative BTr services.

Thank you.
