**MEMORANDUM**

**FOR :** The Acting Director  
Land Management Bureau  
Department of Environment & Natural Resources  
880 F.R. Estuar Building Quezon Ave.,  
Brgy. Paligsahan, Quezon City 1111

**FROM :** The Director  
This Bureau

**SUBJECT :** REQUEST FOR NATIONWIDE ADMINISTRATIVE  
BOUNDARIES IN SHAPEFILE FORMAT FOR THE  
MGB'S GEOHAZARD MAP PORTAL

**DATE :** 22 April 2022

In the interest of providing up-to-date and timely geohazard warning, advisories, and information to the public, the Central Office is spearheading the review of updated and existing Geohazard Maps of the entire Philippines and their eventual publication to the Bureau's public portal and other related platforms of our partner agencies.

With this, we are humbly requesting for the latest and updated nationwide administrative boundaries in shapefile format to be used in our ongoing review and publication of the MGB's 1:10,000-scale flood and rain-induced landslide susceptibility maps.

For immediate concerns or clarifications, please do not hesitate to contact us through our Geohazard and Engineering Geology Section (GhEGS) of the Lands Geological Survey Division (LGSD) at email address [ghogs@mgb.gov.ph](mailto:ghogs@mgb.gov.ph) or telephone number 8667-6700 loc 189.

Thank you and we hope for your kind consideration on this request.
