Regional Executive Director

Department of Environment and Natural Resources

Region IV-B MIMAROPA

DENR by the Bay Bldg., 1515 Roxas Boulevard, Ermita, Manila

Dear Dir. Claudio:

The onset of the pandemic has made a tangible impact towards the lives of every Filipino, as everyone has become more conscious as to how they can protect themselves from COVID and how they can ease their financial worries the moment the virus hits them personally. It is but natural, as an institution, to look after the welfare of our personnel in these trying times.

As one of the country's leading life insurance providers, **MANULIFE** would like to help your personnel in becoming more knowledgeable and better equipped with financial literacy in order to prepare them for circumstances that life's uncertainties would bring us.

In this regard, we are conducting a Financial Wellness Session which includes topics on insurance, stocks, and cryptocurrency for free. I would be glad to call your office to set an appointment with you, or you may reach me through **09175539820; ja_s_padecio@manulife.com.ph**.

Thank you and we would appreciate hearing from you soon.

Sincerely,
