SUBJECT : **GUEST SPEAKER TO THE “ANG TINIG KLIMA” RADIO PROGRAM ON 27 MAY 2022 VIA ZOOM PLATFORM**

DATE : 18 May 2022

Isang Makakalikasang Araw!

The Department of Environment and Natural Resources holds a weekly radio program entitled, “Ang Tinig Klima”. It is an information and education radio program that intends to increase awareness on the issue of climate change and its relationship to different sectors. It is aired every Friday from 3:00 to 4:00 in the afternoon over AM radio station DZXL, 558 RMN Manila.

On 27 May 2022, Friday from 3:00-4:00 PM, our topic for discussion is **“Paano Sukatin ang Halaga ng Kalikasan?”** The discussion will tackle on determining the values of the ecosystems including biodiversity after the hazards, such as typhoons, floods and landslides. The discussion will also include among others, government programs, and engagement of other stakeholders in addressing climate change.

In this regard, may we invite you or your technical staff to be our guest speaker on the said date. We are also inviting representative from Sustainable Interventions for Biodiversity, Oceans and Landscape Center for Conservation Innovations, as another speaker. In observance of the health protocols, the conduct of this radio program will be via zoom platform and simultaneously aired over DZXL, 558 RMN radio station. It is also live streamed through DZXL and DENR CCS Facebook.

We will coordinate with you through Mel Matubis (09666611239; email meldiesfm@yahoo.com) and Joan Laborte (jfjlaborte@denr.gov.ph) of this Office for your confirmation.
